

POWER POST

The Power Post brings the power directly to your bike. The Post & Ring-style rack features built-in power outlets, allowing simultaneous charging for up to two eBikes. Keep your bikes securely locked while you fill up your batteries and get ready to ride.

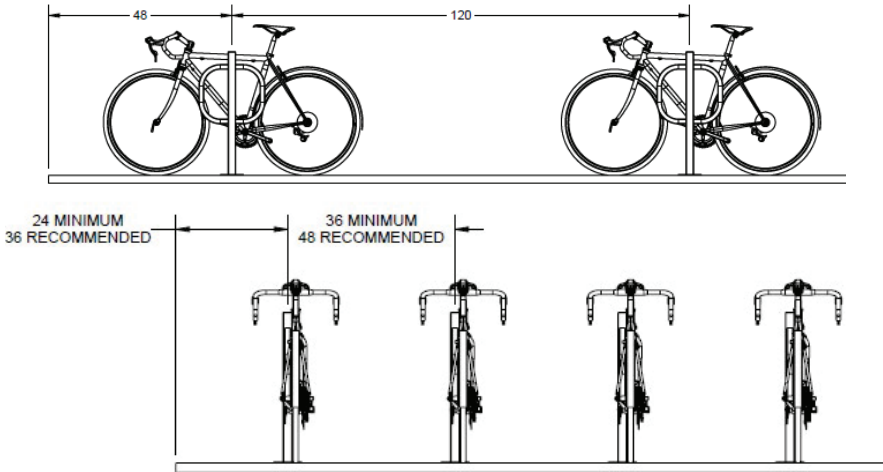

Also available in a non-locking, post-only version to bring power to existing bike parking such as our Stack Rack.

Product Specifications

- Two built-in grounded outlets for charging eBikes
- Access port near bottom for electrical plumbing
- Full rectangular tube construction to deter pipe cutters
- Accommodates two standard or electric bikes
- Meets APBP bike parking guidelines
- Ring-less, non-locking version can accompany existing bicycle racks to provide a charging point
